6. Satisfaction Levels: Our Parent Survey Results show that parents are extremely happy with the care given to their children and the learning and spiritual opportunities that the school provides. Parents and staff are encouraged to come forward when they are not happy with a situation at school. Concerns are dealt with in confidence. Students are given a variety of opportunities to develop academically, socially and spiritually. The number of parents who are willing to donate their time by assisting with sports carnival preparation, transporting students for excursions, catering for school functions, assisting with school fundraising activities, volunteering as parent help in the classrooms and attending assemblies would generally suggest a high degree of parent satisfaction.

7. Post School Destinations: From our 2013 Year 7 class, twelve are attending Bunbury Catholic College and four are at Collie Senior High.
