Dear Parents/Guardians,

The teachers spent last Saturday at school for Day 2 on Win-Win Discipline. We had a presenter come down from Perth. The day provided teachers with strategies to help handle discipline problems at the moment of the disruption as well as ways to better understand where the student is coming from to avoid the disruption in the first place.

The last two weeks have provided the students with a huge array of learning opportunities. Read more to find out what our students have been up to.

God Bless
Mr Cronin

### Prayer Corner

**All Saints**

Father, all powerful and ever-living God,  
Today we rejoice in the holy men  
And the women of every time and place.  
May their prayers bring us your forgiveness and love.  
We ask this through our Lord Jesus Christ,  
your Son,  
who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

Amen
Kindy Interviews for 2015
Kindy interviews for new families have taken place this week. If you have any friends who are undecided on where to send their children for Kindy, you may like to mention that we still have vacancies. We find that our parents are our best form of advertising.
Mr C.

Saturday Night Mass
Thank you to the parents of Years 1 and 6 students who supported last Saturday night’s Parish Mass. The support received from the school by parents helping this year has been fantastic. Thank you to the many families who have found ways of supporting the school and their children by volunteering in so many ways. We will soon begin tallying the hundreds of entries made by parents and grandparents when they have helped and families will receive their refund by the end of November.
Mr C.

Farewell Mr Dudek
At the end of this year we will farewell Mr Bree Dudek who has been appointed as Assistant Principal at Leschenault Catholic Primary. Bree has had a very long association with St Brigid’s, having attended the school as a student, worked as a teacher and then the last five years he has been Assistant Principal. Mr Dudek’s sense of fairness, humour and dedication will be greatly missed. We hope to continue Marathon Club in his honour!
Mr C.

If you are unable to come due to another commitment can you please try and swap with someone else. If you are unable to swap please phone me before 7.30am on 9734 3193 or advise the office 97341097 after 8.00am so alternative arrangements can be made.
Frequently asked questions:

Where are we storing the coins? We are storing them in a few secure locations.

Where is the line being laid out? At the Collie Motorplex race track.

Where can I donate? Donation tins can be found at all six schools. A list of all businesses and other helpful supporters with tins can be found on our Facebook page. Alternatively you can deposit into our Bendigo bank account (details on the back of this brochure) and anything donated will be converted into 5 cent pieces.

What will the coins be used for after the record is broken? The raised funds will be divided equally to the six schools P&C to improve their schools.

What happens if you don't reach your goal? With the help from the community we are going to smash our goal, but if that doesn't happen the funds raised will still be divided equally between the schools. So still a great cause.

Printing and paper kindly supplied by
St Brigid's School
The Collie District schools of; Allanson, Amaroo, Collie Senior High, Fairview, St Brigid’s and Wilson Park are joining together to attempt to break the Guinness World Record for the longest unbroken chain of coins of the same denomination.

The current record stands at 75.24km. To break this, schools are asking all Collie residents, parents and students to save their 5 cent coins and donate them into any of the six school’s collection containers or other supporting locations in Collie.

All schools will share the funds raised equally and will use them on particular projects as identified by each school. They also pledge to support local businesses as much as possible.

So come on kids, parents, grandparents and all our wonderful people in the Collie district. Let’s demonstrate how motivated we can be! Let’s start collecting our 5 cent pieces and bringing them into our schools. We need to aim for 76km at least!

We need to reach our target by early 2015 - so start collecting now!

Fun Facts

Current record to beat: 75.24km

Length:

1x 5 cent = 19.41mm
1000 metre / 19.41 = 51,546.391 per metre
(52 per metre)

We are going for: 76km x 51,546.391 coins per km = 3,917,526 coins

Weights:

1x 5 cent = 2.83g
2.83g x 3,917,526 = 11,086,597g
= 11.086597 tonne.

Motorplex

Motorplex has a lap distance of 1.6km

76/1.6 = 47.5 Laps

All donations of any Australian denomination are happily accepted, and very much appreciated. Please do not feel that you have to only donate five cent coins, as we are more than willing to convert larger donations for you. Anything you can do to help us reach this amazing community goal would be wonderful.

If you have family or friends who wish to help, please remember for more convenience we have an account at Bendigo Bank (details on the back of this brochure). When transferring into the account please add your town/city in the reference so we can see how wide spread this record attempt becomes!
