Principal's Welcome

Dear Parents,

I would like to take this opportunity to thank all the staff and parents for their support over the past fortnight. I have spoken to Mr Cronin and he is settling in well in his new school.

NAPLAN results have been received by the school and overall results were impressive. Year 3 results are the highest they have been in several years, with Year 5 results remaining relatively consistent. Individual results are being sent home with your child today.

Ms Furler is busy preparing for the Athletics Carnival. Jumps and throws will be on Monday 5 September and running and team events will be on Friday September 9. Students have been learning the correct technique for jumping and throwing events in preparation for Monday during their sports lessons. The program of events went home yesterday with students.

Mrs Harnby has been busy preparing art pieces for display at the Griffin Festival. Thank you Mrs Harnby and Mrs Michele Kenyon for all the extra time you have put into coordinating the display. The Art Spectacular is fast approaching and we are in desperate need for volunteers to help coordinate the evening. This is an important event for our school to showcase our talents, it is also a fun evening which raises money for our school. If you are able to help in anyway please let me know.

Lastly, I would like to wish all the dads a happy Father's Day. Enjoy your time with your family.

God Bless
Mrs Collins.

A Father's Day Prayer

God,
Bless all the fathers in the world. Father, we ask that You
guide them to be good role
models and loving to their
children. We also ask that You
help them to be a father like
You are. Give them grace and
patience to handle situations
in a loving way.
Amen

OUR VISION
We are a progressive learning community, which nurtures the holistic growth of all children within a supportive Catholic environment.
Opti Minds
Mrs Roney and her Opti Minds team have been working very hard preparing for their challenge which they will present on Saturday in Australind. We wish them all the best and thank Mrs Roney for all her extra hard work in preparing the students.

Early Arrivals
It concerns me that we are having lots of children arrive to school before 8:30am. I would like to remind parents that school does not start until 8:30am as there are no teachers on duty until this time.

First Reconciliation
Some of our students completed their First Reconciliation on Wednesday night. A big thank you to Mrs Lynn, Father Jaybee, Mrs Bertolini for organising the stoles and Mr Cronin for taking photos. If parents bring in a USB we can copy photos for you.

Art Spectacular
Mrs Harnby has been working hard with the students from all of the year levels to produce pieces of class artwork that will be auctioned off at our Art Spectacular evening to be held on Friday 21 October. Mrs Harnby is keen to establish a Committee to assist organising different aspects of the night. If you would like to be part of this spectacular event, please call the office to put your name forward.

Book Week

Dress Up Day 24 August

We had a fabulous turn out for the book week parade. Students, parents and teachers went to a great effort to create some fabulous costumes and the judges found it very hard to choose winners.
Keeping Safe Curriculum
At the beginning of the Term staff participated in a Keeping Safe session. This is a child protection program developed by the South Australian Government, Department for Education and Child Development and is designed to educate children on how to keep themselves safe. The program teaches children to recognise abuse and develop skills to protect themselves. The Child protection in schools, early childhood education and care services policy (2011) states that “all children and young people in DECD (Department for Education and Child Development) preschools and schools will access approved child protection curriculum”.

Teachers are beginning to introduce the Keeping Safe Curriculum into their classrooms. With topics such as; safety, relationships, recognising and reporting abuse and teaching children strategies to protect themselves from harm. All topics are covered with consideration of the child’s developmental needs. Alarmingly, statistics show that 85% of child sex offenders are known to the child and family. By educating children, we can minimise the risk of harm.

Operation Christmas Child
If you are wanting to fill a shoe box for a child for Christmas, I have shoe boxes available in Pre-Primary for 50cents each. The boxes need to be returned the 1st week back at school after the holidays. Thank you for participating.
